Manager McKernan Wants Release.

Manager Ed McKernan, who for two successive years has managed the Paris base ball team and won two victories in the race for the Blue Grass League pennant, wants his release from the local club that he may take charge of the Battle Creek club of the Michigan State League.

McKernan was in Paris Tuesday in conference with President Bacon, the result of which was not announced, but it is likely the Paris management will hold McKernan for a handsome sum. This news coming so close after the announcement that Barnett had been drafted by a higher club is quite a blow to the local fans, who regard McKernan as the best manager in this company. It is hoped the Paris management can retain him for the coming season.

Found Dead in Bed.

Mr. Benjamin B. Wood, aged 51 years, was found dead in bed Sunday morning at the home of Mrs. James Bagge on the Houston pike, near Hutchison Station.
